

COEN's
Ultra Low NOx Burner Seminar
**School
of
Hard NOx**

Wednesday, March 24th, 8:30 AM

Coen Company, Inc.

1510 Tanforan Avenue, Woodland, CA

Please register for COEN's **free seminar** to learn more about boiler emissions, low NOx burner developments, current ultra low NOx solutions and case histories.

The School of Hard NOx begins at 8:30 AM. In addition to technical presentations, guests will tour Coen's production facilities and view various burner systems in fabrication. Lunch will be provided followed by a wrap-up session where you can ask questions of Coen's engineers or request additional information. Scheduled activities will complete by 2:00 PM.

Space is limited so secure your spot today. Please R.S.V.P. to:
